

Somonauk Nighthawks 2010 Payment Exemption Policy

The Somonauk Nighthawks Football Club is a non-profit organization designed to offer the children of Somonauk and surrounding communities the opportunity to participate in a Cheerleading/Football program.

The organization will not deny any child from participating due to an inability to pay. The organization will make every attempt to either work out an appropriate payment plan or waive all registration fees depending on individual circumstances. However, Parents and/or Guardians must meet the requirements defined by the organization in order to qualify for the payment exception. The organization uses the free/discount school lunch guidelines to determine eligibility.

To be considered, participants must submit a fully completed "Payment Exception" form to the Nighthawks Board prior to equipment handout. Each application will be reviewed and either approved or disapproved. Applicants will be notified by phone with the final determination.

Sincerely,

Somonauk Nighthawk Football Club
